

Mountain View Resort & Spa - where adventure is at home

Mountain View Resort & Spa – your base camp in the Minahasa Highland, opened four years ago. It is an ideal place to explore the sprawling landscapes with its active volcanoes, picturesque lakes, high waterfalls and the friendly people. Different kind of activities are offered all year round.

The resort's Spa offers various wellness treatments from traditional Padang & Ulu over aromatherapy massage, reflexology, ear candle, body scrub to aromatic baths.

The culinary variety of the kitchen leaves nothing to be desired: theme buffets for groups, à la carte dishes from the Indonesian, Chinese and German cuisine. Special menus for vegetarians, vegans and children are granted.

The well-kept resort garden with its palm trees, bamboo bushes, herbs and fruit trees are regularly visited by some endemic birds such as the Sulawesi myzomela, Pygmy hanging-parrot, the Sulawesi woodpecker and the Celebes Malkoha.

Mountain View Resort & Spa is a holiday paradise in the mountains of North Sulawesi. With an extensive tour program, professional English speaking local guides for sightseeing- and adventure-tours, hikes, family-programs and wildlife safaris.

Equipment rental is a unique feature: dome tents, sleeping pads, warm sleeping bags and cooking equipment.

At Mountain View Resort no wishes remain unfulfilled. Customized tour programs, elaborated by customer interest and budget. However, those who want to explore the area on their own can rent a scooter for a day or more.

One hour from the International Airport Sam Ratulangi or from downtown Manado in 30 minutes by car.
